CAC Meeting Notes

Start Time: 3:35

Bryce is Co Chair, waiting for more parents to elect parent co chair.

Campus Improvement Plan (CIP) - coordinated school health, continuing equity work around family engagement, environment protection (such as the butterfly garden), work with PTA to have one event per month

Academics - Professional Learning focus on math, understanding TEKS and assessments, developing leadership team such as admin

Menchaca has good enrollment relevant to other campuses, we have an up to date website and provide tours on demand.

We are a Title I campus, TEA accountability rated campus a letter B

About 2.44 billion dollar bond with security in mind. It is also going towards modernization of more campuses. Menchaca has about 658,000 dollars to go towards improving technology

November 8th, teacher work day, student holiday

11,000 dollar equity allocation

Title I funds will go towards STAAR review.

We will try to work on getting more UIL programs, more to come later.

Principal Updates:

- SBS has two possible candidates currently.
- Looking for a 5th grade teacher position to start in January
- The daycare is here as a year to year contract as long as we have the space. We may not have space next year or two years from now, it is to be determined. We will have it as long as there is space.

Road Naming:

- Someone needs to take over this project.
- Jack and Mary Dodson Way/Ln/Rd/Loop
- Land behind school should be turned into historical land so that it isn't sold.
